Basics for Soccer Moms and Dads

Shin guards are mandatory at practice and games for ALL Players. Cleats or tennis shoes may be worn. Cleats with a toe cleat are illegal and will not be allowed.

Jewelry of any kind may not be worn by a player during a game. This includes earrings.

Friends and family are to cheer with positive encouragement for your player and other players as well. *Please refrain from shouting any **Directional instructions as this causes major confusion for the players. Only the coach and/or assistant coach will direct the players please.***

Please refer to the DSA Zero Tolerance Policy on the Denton Soccer Association website regarding referees as well.

Your Registration Fee pays for a complete uniform, insurance, NTSSA Fees, referee fees, Denton Parks and Recreation fees.

Each player is guaranteed 8 games and 50% playing time. DSA generally schedules 10 games to account for inclement weather reschedules. Below are some specifics for each age group. *If a player does not attend practice he is subject to discipline and will not be guaranteed playing time.*

U10 Boys:

Use a #4 Ball

Play 7v7, (6 Field, 1 Goalie) no more than 12 - 14 on each roster. Rosters sizes are determined by DSA going to small-sided games and guaranteeing each player 50% playing time.

Play Fields 4, 5, and 7.

Games are 55 minutes, two 25 minute halves.

Usually practice 2 times a week until games start..

As coach I am responsible for your behavior, you in turn are responsible for any guest you bring. If anyone at anytime becomes disruptive they will be ask to leave so the players can participate in a fun and rewarding game of soccer.

I look forward to a great season of soccer, if at any time you need to speak to me; I have an open door policy and welcome any suggestions. The only demand I have is to handle it in a professional manor and no negative actions or comments in front of our boys.
